Credits may be granted, at the discretion of the Yeshiva, for study and courses taken at another postsecondary institution of Talmudic Studies providing the following conditions are met:

- The credits transferred must be based on course work similar in content, style and academic rigor to the one offered at the Yeshiva.
- The student must have achieved a grade that would have enabled him to pass a similar course at the Yeshiva.
- All credits must be properly documented.
- Transfer credits accepted are counted toward both the number of attempted credits and the number of credits earned by the student.

Credit by examination may be granted to a student, who previously attended postsecondary institutions but has not brought documentation, based on the examination that the Rosh Yeshiva administers to each incoming student. The student will be placed at the appropriate academic level and granted the credits by examination that will place him on par with the class.

Decisions regarding transfer credits are subject to the same appeals process described below.

Note: Telshe Yeshiva Chicago does not have any articulation agreements with regard to whether the Yeshiva will accept credits from other institutions nor with regard to whether other institutions accept the Yeshiva’s credits. Before enrolling in the institution, students should be sure that their attendance will help them reach their educational goals.

Please be advised that the transferability of credits and acceptance of the degrees earned at Telshe Yeshiva Chicago are at the complete discretion of an institution to which a student may seek to transfer. If the credits or the degrees earned at this institution are not accepted at the
institution to which a student seeks to transfer, he may be required to repeat some or all of the coursework at that institution.
